“Every book is a treasure and every time you open one up you will meet new friends and take wonderful journeys to magical places.” – Dolly Parton

Substance use disorders place immense strain on family systems, which often leaves children to navigate heightened stress, disruptions, and limited access to developmental resources. This year, in honor of the late, great, Dolly Parton, the *Opioid Response Network (ORN)* is setting up a children’s book drive to provide enriching stories to children in the city of Memphis, TN through the Memphis Public Library. Help us celebrate and give back to the community that will be hosting us for the *ORN* November convening and AAAP Annual Meeting! Whether you purchase new or simply bring some gently used children’s books, your generosity makes a tangible difference. **Here’s how you can join in:**

Pick a New Book
Pick a favorite from your childhood, or a favorite of a child in your life!

Bring a Used Book
Pick a gently used book from your own shelves!

Need Recs?
No idea what kids like to read? Ask your local bookstore or librarian!

Drop Off Location: Location at the Pebody Hotel
